The main goal of the Miss Lao Washington Pageant is to celebrate the beautiful, brilliant and warm hearted young ladies in our community. The pageant will highlight the importance of education, community involvement, and cultural preservation. All contestants will participate in a yearlong youth development program. This unique program will empower the young ladies through activities that focuses on personal and professional development, mentorship program and community engagement.

In order for us to properly execute this pageant, we need your assistance in raising the necessary funds to cover expenses. To help offset the costs associated with this program, we have set a goal to fundraise **\$7,000**.
